Falcon 2000EX

Safety, Comfort and Convenience.

Falcon 2000EX

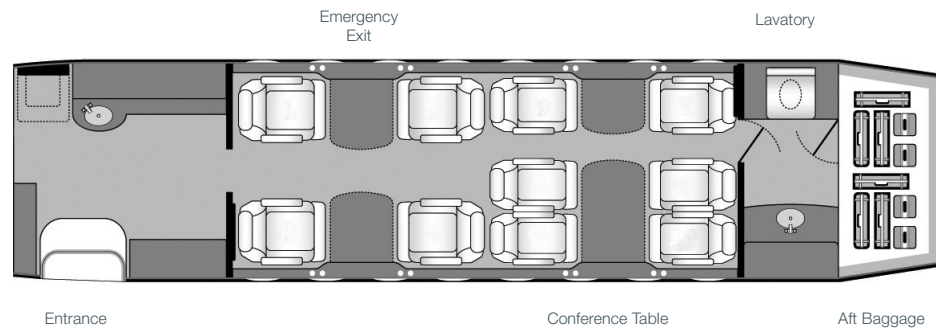

The 2000EX is quite simply a 'best in class' private jet. World-renowned for its comfortable, quiet, wide-body interior, it outperforms the competition on virtually every level, satisfying the most discriminating clients.

Passengers enjoy a spacious full service galley, flat screen monitors, Wi-Fi connectivity and easy, inflight luggage access. With 37% more fuel capacity than the Classic 2000, the EX model offers an intercontinental range of 3800 nautical miles and leather seating for 10 passengers. Additionally, the aft 4-person conference layout can be converted to a sleeping configuration, to ensure that you arrive relaxed and refreshed.
